FRATERNITY & SORORITY LIFE AT BAYLOR UNIVERSITY

Baylor is proud of the university's Fraternity and Sorority community. The students in Greek letter organizations are thriving in their experience with exceptional academic performance, significant service to the community, and lasting friendships grounded in the principled values of our Christian mission.

The Fraternity and Sorority Life (FSL) experience plays an important part in building community and fostering success at Baylor University. Undergirded with a focus on service, leadership, campus involvement, academic excellence, spiritual growth, and meaningful relationships, this community continues to contribute to the rich legacy and tradition of fraternity and sorority excellence.

Our Greek organizations, with 4,400+ active members and 41 inter/national and local organizations, provide a distinctive pathway for strong leadership development and nurturing life-long connections. The current community consists of four councils; the College Panhellenic Council (CPC), Interfraternity Council (IFC), National Pan-Hellenic Council (NPHC), and Unified Greek Council (UGC), along with three local organizations.

The Baylor fraternity and sorority community continues to provide outstanding opportunities for our undergraduate students to experience a transformational education in a Christian environment.

MEET THE TEAM

ERIN ELLIS

Associate Director of
Fraternity & Sorority Life

Erin has served the Fraternity and Sorority Life community at Baylor since 2015. She has advised the Interfraternity Council, the Unified Greek Council, and the College Panhellenic Council. She received her bachelor's degree from Ouachita Baptist University in 2009, and her master's degree in Higher Education and Student Affairs from Baylor University in 2014. She is currently pursuing her Ph.D. in Higher Education Studies and Leadership at Baylor.

TRANQUILITY COWAN

Assistant Director of
Fraternity & Sorority Life

Tranquility joined the Baylor University family in 2015. In her role, she serves as advisor to the National Pan-Hellenic Council and the Unified Greek Council. She earned her bachelor's degree in Biology from the University of Mississippi and attended the University of Central Arkansas, where she received a master's in College Student Personnel Services and Administration.

PAIGE EIDENSCHINK

Senior Coordinator of
Fraternity & Sorority Life

Paige has served the Fraternity and Sorority Life community at Baylor University since 2021. In her role, she advises the Interfraternity Council. She received her bachelor's degree in Management Communication from North Dakota State, and then served as an Educational Leadership Consultant for Kappa Alpha Theta. Paige spent 3 years as a Program Coordinator for Fraternity and Sorority Life at Utah State, where she also earned her MBA.

COMMUNITY RETREAT

Fall semester

At the onset of the fall semester, leaders from each of our FSL chapters come together for a time of fellowship, development, strategic planning, and education. This retreat is a way for our community to build relationships with one another, experience team building, hear from guest speakers, and set goals for the academic year.

LEADERSHIP ROUNDTABLES

Each month

Once a month, chapter and council presidents meet to discuss relevant topics and issues in the fraternity and sorority life community. These meetings foster relationships, encourage collaborative problem solving, and promote proactive initiatives within the community.

AWARDS & RECOGNITION

Spring semester

Each year our community comes together to celebrate the accomplishments of our chapters, members, and advisors. Our FSL awards program recognizes a chapter of the year for each of our councils and highlights the incredible work our community does during the year.

SERVICE & PHILANTHROPY COLLABORATIONS

Each semester

Our councils work together each semester to identify a collective service or philanthropy project to support. These community-wide initiatives range from drives to benefit the on-campus food pantry, to community service partnerships with our Steppin' Out program.

CAMPUS INVOLVEMENT

Each semester

All of our chapters contribute to the exciting life of the university. Whether hosting a philanthropy concert, participating in the homecoming parade or step show, or raising money through a bake sale, our chapters are a prominent and vibrant part of the campus community.

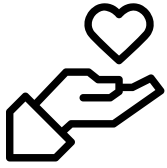

SOCIALS

Each semester

Throughout the year, our councils come together just to have fun. Socials are opportunities to build relationships with one another through recreational activities, hanging out, enjoying a meal, or watching a movie.

FRATERNITY & SORORITY LIFE VISION AND VALUES

The Baylor fraternity and sorority community continues to provide outstanding opportunities for our undergraduate students to experience a transformational education in a Christian environment. These organizations contribute positively to the Baylor mission through six main values: service/philanthropy, leadership development, campus involvement, academic excellence, spiritual growth, and meaningful relationships.

Service to the community and philanthropic efforts are an integral part of the fraternity and sorority life foundation and membership experience.

Leaders, and future leaders, of Baylor's fraternities and sororities receive support and developmental opportunities through multiple retreats and regular meetings.

Our fraternity and sorority community consistently earns a higher GPA than the all undergraduate GPA, emphasizing the importance of academic achievement.

Consistent with Baylor's mission, our fraternity and sorority community incorporate faith into their individual chapters' practices.

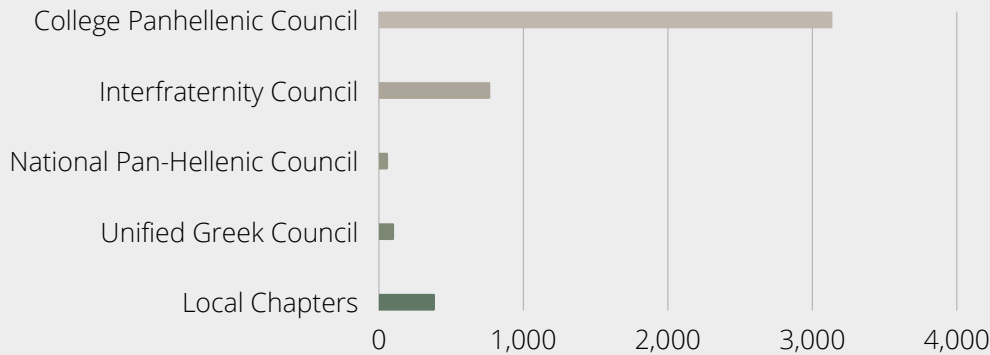

Approximately half of all members of fraternities and sororities remain engaged in other student organizations and involvement opportunities across campus.

Connection to the university and the individual organizations helps facilitate opportunities for relationship building through the various involvement experiences.

COLLEGE PANHELLENIC COUNCIL

Members: 3,135 | Organizations: 9 | Instagram: @baylor_panhellenic

The Baylor College Panhellenic Council (CPC) is the unifying, coordinating, and governing body of the nine inter/national women's fraternities on the Baylor campus. These organizations are dedicated to the intellectual, spiritual, and social development of their membership. Each of these sororities participates in a variety of University and community activities. These include All University Sing, Homecoming, Steppin' Out, and community service projects. In addition, these organizations are represented across campus in various student organizations.

LOCAL ORGANIZATIONS

Members: 384 | Organizations: 3

Baylor is home to two fraternities and one sorority that are unique to Baylor University. At one time, all of Baylor's fraternity and sorority organizations existed as "local social clubs." Baylor's Local organizations are not members of a governing council. They are similar to other fraternities and sororities with their emphasis on scholarship, service to others, leadership, and friendship.

MEMBERSHIP INTAKE & RECRUITMENT

The Baylor fraternity and sorority intake and recruitment processes look different for each of our four councils. Each council and sometimes the individual chapters within each council have differing processes for bringing in new members. All chapters, however, are required to adhere to organizational, institutional, and state policies, procedures, and laws throughout the recruitment and intake process.

CPC

College Panhellenic Council

CPC chapters participate in deferred recruitment, one week before the spring semester classes begin. This is a mutual selection process conducted through a week of recruitment. At Baylor, most women receive membership through this process, but some CPC chapters also participate in Continuous Open Bidding throughout each semester.

Event to Attend: Panhellenic Previews taking place throughout Fall 2022

IFC

Interfraternity Council

IFC/Local fraternities conduct recruitment both fall and spring semester. Fall recruitment is reserved for transfer students and upperclassmen while spring recruitment is geared towards first year students. Any male student who meets eligibility requirements are able to receive a bid at Baylor.

Event to Attend: IFC/Local Recruitment Session taking place in late August/early September

NPHC

National Pan-Hellenic Council

Each NPHC chapter has an independent membership selection process, and every chapter has its own criteria for GPA and completed college hours. NPHC hosts an NPHC Week each year to highlight the member organizations. Greek 101, an informational session, will be held during NPHC Week.

To learn more information, interested students should research the various chapters and attend informational sessions to indicate their interest.

UGC

Unified Greek Council

Many UGC chapters host open recruitment events during the first few weeks of each semester. Be on the lookout for opportunities through social media to attend UGC events and informationals to learn more about how to get involved.

To learn more information, interested students should connect with individual chapters to indicate their interest. Participation in at least one UGC event is required to be eligible to join a UGC organization.

FREQUENTLY ASKED QUESTIONS

1. How do I register to join an organization?

- IFC/Local Fraternities and CPC require a formal registration process for joining an organization. During the semester you are eligible to join, you can find links to the online registration on each council's website.

2. Is there a registration fee?

- IFC/Local Fraternities and CPC require a registration fee. For Fraternity recruitment, this fee is \$25 and is non-refundable. For PHC recruitment, this fee is \$50 and is non-refundable.
- UGC and NPHC do not require a recruitment registration fee.

3. What does it cost to be in a fraternity or sorority?

- Membership fees vary by council and chapter. Please contact the respective chapter president and attend chapter events to learn more information.

4. What requirements must I meet in order to be eligible for membership?

- Academic achievement is an important value of the Baylor Greek Life community. Students must meet minimum requirements to participate in a recruitment or intake process. According to Baylor policy, a student must have completed 12 Baylor hours and obtain a 2.67 cumulative GPA and a 2.00 current GPA to join a fraternity or sorority. However, many organizations require all potential new members to have a higher GPA to join their individual chapter. Grades are NOT rounded up in determining eligibility.
- TRANSFER STUDENTS:
 - A student is classified as a transfer if they have attended a college, university or junior college during a fall or spring semester AFTER high school graduation. If the only college work completed is dual credit or advanced placement hours, they are NOT considered a transfer student. Transfer grades do NOT apply to the Baylor GPA. In order to join during their first semester, a transfer student must have completed a minimum of 24 transfer hours (does NOT include dual credit or advanced placement) with a transfer GPA of a 3.0. Grades are NOT rounded up in determining eligibility.

5. What if I'm not eligible for membership?

- If you do not meet Baylor's eligibility requirements for joining a fraternity or sorority, we do have an appeals process. Submitted eligibility appeals will be reviewed by the Director of Student Activities. Please note that several fraternities and sororities have higher academic requirements, and in the rare instance when exceptions are given from Student Activities, chapters may still choose to not extend invitations during the recruitment process.

6. What does the new member education process look like?

- Each chapter approved for membership intake will submit a new member education program to Student Activities. This is a five-week maximum period of calendar events and activities required for new members. This new member education program lasts from the beginning of the new member period through initiation.

7. What will I gain from a fraternity or sorority experience?

- Membership in a Greek organization will provide you the opportunity to excel as a student at Baylor University. Whether it is through leadership, academic excellence, service, friendship, or spiritual growth, being part of a fraternity or sorority at Baylor offers students the chance to make significant and impactful differences in their organizations, the Baylor community, and beyond.
- Joining an organization can be one of the most meaningful experiences for a college student. Explore Fraternity and Sorority Life and take advantage of what the Greek Community has to offer. Membership will grant you a unique challenge of personal growth, so take full advantage of it!

FREQUENTLY ASKED QUESTIONS

8. What do I need to know about recommendation letters for CPC?

- Recommendations serve as an introduction of the Potential New Member (PNM) to the sorority

9. What is deferred recruitment?

- Deferred recruitment means incoming students are ineligible for membership until their second semester. Eligibility is based on academic performance at Baylor during the fall semester (please refer to the Grade Requirements for specific information).

10. Why does Baylor practice a deferred recruitment model?

- Baylor practices a deferred recruitment model to allow incoming students time to adjust to academics and connect to the life of the university prior to making a big commitment like joining a sorority or fraternity. The first semester provides space for students to get to know chapters, learn about membership benefits, and find community.

11. How do I get to know individuals in the organizations?

- During the recruitment events, individuals will have the time to ask questions about fraternity and sorority activities, financial obligations, new member programs, scholarship, community service and fraternity and sorority life in general. In addition to recruitment events, each council and organization will host a variety of campus events where active members look forward to getting to know potential new members.

12. What is hazing and how does Baylor address the issue?

- Hazing means any intentional, knowing, or reckless act, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization.
- For more information about how Baylor reports and responds to hazing, please refer to the website below:

14. I'm interested in a particular chapter, but I see that it's either not listed or listed as inactive?

- If a particular chapter you're interested in is not listed, it means that the chapter is not a member of the Baylor FSL community. We do see chapters join the community through a formal expansion process, but the listed chapters are currently the chapters that are established at Baylor.
- If a chapter is listed as inactive, it most likely means that the chapter has recently been an active part of the community and for a number of different reasons, is currently inactive and unable to invite individuals for membership.

15. What is the Divine Nine?

- The Divine Nine refers to the 9 organizations that make up the National Pan-Hellenic Council. These organizations are historically African American and seek to increase community awareness and action through education, economic, and cultural service activities.

16. What different cultures are represented in the Unified Greek Council?

- The Unified Greek Council is composed of six sororities and four fraternities. Cultures represented include: Asian, South Asian, Indian sub-continental, and Latinx.
