Majority of our updates will come from the Baylor Panhellenic Instagram but feel free to email or DM anyone on the Panhellenic executive board. We would be happy to answer your questions!
Dear Potential New Members,

I am thrilled you’re interested in participating in Panhellenic recruitment here at Baylor! College is a time filled with growth and challenges. While growth can be uncomfortable and challenges unexpected and oftentimes scary, it is my sincere hope that you find a community of women within Baylor Panhellenic who rally around you throughout each step of your college experience and beyond.

During my time in the Baylor Panhellenic community, I have found my closest friends, experienced enormous personal and professional growth, and accomplished goals I never believed I could. These feats have much less to do with me as an individual, but rather with the abundance of resources and opportunities within the Panhellenic community and the Panhellenic women who constantly inspire and challenge me to be the best version of myself. If you told high school Brinkley that she would be dancing and singing for a crowd of 2,000 people each night for All-University Sing and actively choosing to participate (albeit very poorly) in intramurals like flag football or dodgeball, she would have laughed in your face. Thanks to Baylor Panhellenic, I am a more confident and courageous woman.

I have a few pieces of advice as you enter into recruitment season: seek friendship first, use your resources, and don’t take yourself too seriously. Remember that everyone on this campus, no matter what letters they wear, if any, are your peers. They are people seeking to belong and find friendship just like you. Be that friend to them. Throughout this process, you’ll probably have a question that needs to be answered or need some advice. Your Gamma Chis and Panhellenic Recruitment team are here and eager to help you through this process. Lean on us. And finally, remember that the recruitment process is supposed to be fun! There may be disappointment along the way, but know that no matter your recruitment path, you are YOU, and nothing will take that away.

Once again, I am SO SO excited for you to participate in Baylor Panhellenic recruitment! My door is always open if you need a friend.

With Love,
Brinkley Bounds
@Brinkleybounds
Hi!

I’m so excited that you’re considering going through Primary Recruitment here at Baylor. It truly is such a magical process! Coming to Baylor all the way from a tiny school in Washington State, I was so nervous about making friends and finding community. Baylor Panhellenic was truly such a blessing. Going through the recruitment process, I met so many wonderful girls, and ended up in a chapter I adore. Some of my favorite college memories are from participating in Intramurals, Sing, and even attending chapter meetings. The women in the Panhellenic community make life SO FUN!

The friends I’ve made within these nine chapters inspire me! These girls are brave, they are wise, they are nurturing, and they love those around them deeply. I am so grateful to be surrounded by women who push me to be the best version of myself.

If I could go back in time and tell my PNM self any piece of advice, it would be to seek women you wish to become. You truly are who you surround yourself with, so I encourage you to seek a community that strengthens your character and cherishes you wholly. Recruitment is not about status or reputation, it is about finding girls that you want to be your bridesmaids and lifelong confidants. Be honest with who you are and intentional in the friendships you seek!

Take a deep breath! Soak in this process, and don’t forget to have fun! We’re all rooting for you and want the best for you. Recruitment is YOUR process, and I sincerely hope that you have a blast!

See you around :)

Dear Potential New Members

Welcome to the exciting journey of sorority recruitment! I cannot wait to guide you in finding your forever home. Finding a community in college can be intimidating at times, but it is also the most rewarding adventure you can go on. I am honored to serve as your Baylor Panhellenic Recruitment Coordinator this year. My time in the Panhellenic Community has allowed me to grow in leadership and character, while also giving me an unforgettable college experience. Words cannot describe how eager I am to serve you alongside some other wonderful women. The first few months at Baylor may seem daunting; however, putting yourself out there and figuring out who you are in college is a wonderful, worthwhile growth process.

My advice is to keep an open mind, you never know what great things you may find yourself a part of, try new things, and say ‘yes’ to every opportunity. Don’t compare your experiences with those around you! Your journey will be unique to you, and that is a good thing. Find a chapter that will celebrate you at your highest highs and support you at your lowest lows. Surround yourself with girls who will challenge you in your academics, faith, and service.

I hope wherever you find yourself, that chapter brings you your best friends, fun times playing intramurals, a chance to have a dance party at a formal, and memories of college that will last a lifetime.

While preparing for recruitment week, remember you have so many people supporting and encouraging you while you are on your journey. Recruitment week may be challenging but follow your heart; each chapter wants what is best for you. Our nine amazing chapters cannot wait to guide and mentor you during your time at Baylor University. I can’t wait to meet all of you soon!

Dear Potential New Member,

I am so excited that you have chosen to participate in Baylor Panhellenic Recruitment! Each of you will be placed in a group led by gamma chis during recruitment week. Each gamma chi is a Baylor Panhellenic woman who has chosen to disaffiliate from their home chapter, so that they can serve you as a “recruitment counselor” during your recruitment experience. Each of these women have been intentionally chosen and we believe will be an invaluable resource for you during the fall semester and recruitment week. If you ever need anything, please reach out to a gamma chi or me. We are here for you!

Mutual Selection

Mutual selection recruitment means that both chapters and PNMs have the opportunity to speak to who they would like to see the following day of recruitment. This selection process allows for both the PNM’s preferences and the preferences of the chapter to be taken into account.

Values

Values-based recruitment is something we strive to focus on in our Panhellenic community. We emphasize academics, equality, inclusion, and service -- and we encourage you to be conscious of these values throughout your own recruitment experience. We also encourage you to consider which chapters have values that align with your own as you move through the recruitment process.
To participate in the Spring 2025 Recruitment process, PNMs must register through the official Baylor Panhellenic Recruitment Registration link.

- Registration opens on August 1st, at 8 am and closes on December 6th at 11:59 pm!
- Link to website will be on @Baylor_Panhellenic Instagram
- The Recruitment Registration fee is $55.00.
- Once you start registration, you are unable to save and come back later to finish. Please complete in one sitting.

NO exceptions will be made after the closure of the Recruitment Registration period. If a PNM has not registered for Recruitment by 11:59PM on the last day of recruitment registration (December 6th, ), she will be unable to participate in the Spring 2024 Recruitment process. Absolutely no extensions will be granted to the registration period.

Potential New Member Meetings (PNM Meetings) are a new addition this year hosted by Panhellenic Recruitment Team! These meetings will be an introduction to Primary Recruitment and support the preparation of PNM's as we prepare for formal recruitment week. These meetings will share information about what to expect throughout primary recruitment week in combination with learning more about each of the 9 unique chapters that make up Baylor's Panhellenic Community. These meetings will give PNM's the opportunity to meet Gamma Chi's, ask questions to panels, and meet the members of Panhellenic. We highly recommend anyone interested in going through the process to attend!

Gamma Chis are Baylor Panhellenic women who have decided to unaffiliate from their home chapters so that they can serve the potential new members going through the recruitment process. Their main role is acting as a "recruitment counselor" assisting PNMs as they navigate the recruitment experience. They are women dedicated to putting the needs of PNMs before their own and are a resource for girls who need guidance or advice during recruitment week or during the fall semester. If you have any question please reach out to our Gamma Chi Coordinator.

A letter of recommendation (also referred to as LOR, REC, or RIF) is a letter or statement recommending a woman for membership. A LOR is written by an alumna member of a sorority. This serves as your introduction to the sorority, so their members can get to know you in advance of primary recruitment in the spring. It is sent to the specific Baylor chapter that the alumna is affiliated with.

Are LOR’s Required?

Baylor Panhellenic does not require that PNMs have LORS. Individual sororities may have specific requirements. We recommend that PNMs have one recommendation per chapter that requests LORs. Having more than one WILL NOT necessarily increase your chances of joining that sorority. It is 100% okay if you can’t find a recommendation for every chapter!

BID PROMISING

What is it?
Bid Promising is communicating via social media, texting, verbally, etc., with a potential new member implying that they will receive a bid for membership. Bid promising is not tolerated by the Baylor Panhellenic Council as no member should be promising membership.

"We/I can't wait to see you on Bid Day."
“We would love to have you live in this house next year”
"You would look great in (insert chapter colors/letters here), etc."
“I love you”
“You could be my little!”

*If you hear of bid promising or if you are promised a bid, we ask that you let the Panhellenic recruitment team know ASAP!*

!! This will not harm your recruitment !!
SEE SOMETHING 
SAY SOMETHING

If you are witness to someone violating these rules, have had rules violated with you, heard of rules being violated, or if something seems suspicious, feel free to make a comment to Panhellenic via our Violation Form. Our goal is to ensure everyone is being treated fairly and creating a welcoming environment for all PNMs and Actives. Feel free to come back to this page and use the QR code when necessary.

*If you hear of bid promising or if you are promised a bid, we ask that you let the Panhellenic recruitment team know ASAP! !! This will not harm your recruitment !!
PNM BILL OF RIGHTS

As a potential new member, you deserve all the rights listed below. If a member of the Panhellenic community fails to treat you with these rights, please contact the recruitment team immediately.

- The right to be treated as an individual
- The right to be fully informed about the recruitment process
- The right to ask questions and receive true and objective answers from recruitment counselors and members
- The right to be treated with respect
- The right to be treated as a capable and mature person without being patronized
- The right to ask how and why and receive straight answers
- The right to have and express opinions to recruitment counselors
- The right to have inviolable confidentiality when sharing information with recruitment counselors
- The right to make informed choices without undue pressure from others
- The right to be fully informed about the NPC Unanimous Agreements implicit in the membership recruitment acceptance binding agreement (MRABA) signing process
- The right to make one’s own choice and decision and accept full responsibility for the results of that decision
- The right to have a positive, safe, and enriching recruitment and new member experience
TIPS FOR A SUCCESSFUL RECRUITMENT

- Be relaxed, be yourself, and have fun!
- Form your opinions on chapters based on the conversations you have with individual members! Avoid making decisions based on material things such as chapter décor or clothing.
- Disregard rumors that you hear and make decisions based on your own feelings and experiences you have during recruitment — it's the best way to ensure you are happy with the chapter you join 3.5 years later!
- Don't be pressured to join a particular chapter because of a parent, sibling, friend, significant other, or companion.
- Report anything that violates your PNM Bill of Rights or makes you feel uncomfortable to the Panhellenic recruitment team. You are entitled to having an enjoyable recruitment experience, and anything that keeps you from doing so is something that Panhellenic should be aware of to ensure that it doesn't happen in the future. When a report is filed, your name will not be noted.
- Keeping notes will ensure that you make fully informed decisions throughout the week!
- Have personal downtime and don't let yourself get burned out too quickly! Recruitment is a long week, and you should give yourself free time.
- Keep your opinions about recruitment and specific chapters to yourself in order to not impact another person's selection process.
- Rely on your Gamma Chis! Don't be intimidated by your Gamma Chis or anyone on the Panhellenic Recruitment Team, they are here to help you and make your recruitment week the best week possible!
FAQS

Is there a “Silence Period” during Recruitment Week?
Yes! The days leading up to and during recruitment week, active members will no longer be able to communicate with PNMs via social media or through in person communication outside of the recruitment process. This silence period ensures that active members do not influence PNM decisions during the recruitment process.

Is it OK if I’m in a Bible Study or Class Study group with more than four Active Members in a Sorority?
We ask that all PNMs and actives follow the rule that no more than four active members can be in the presence of one PNM. In situations regarding church and school projects, we ask that everyone uses discernment to ensure that the relationships being built have no ties to an active member’s chapter or status in the Panhellenic community.

If I am a legacy for my relative’s sorority, can I guarantee I will get in?
Although being a legacy can be helpful in networking within the Panhellenic community, there is no guarantee that a PNM will gain membership in a sorority based on their relationship to an alumna for a specific chapter.

Do I have to have LOR’s for every Chapter to be considered for Membership?
Every chapter in the Baylor Panhellenic community has specific requirements for letters of recommendation, RIF forms, and letters of support. Some chapters will not grant membership if a PNM does not have one of these documents turned in. Check out the “chapter specific requirements” page above to view what each chapter must have for a PNM to gain membership.
Help with Letters of Recommendation

Do not be afraid to reach out to friends or post on facebook and asking if people would be willing to write your daughter a recommendation letter for a chapter. You have more connections than you might think!

Bid Day

Bid Day is such an exciting and emotional filled day, so having a supporter will be so important for these PNMs. If possible, we would love to have a family member or two be there for these PNMs! More information will be shared on our Instagram closer to January 18th.

Encouragement

Recruitment can be an emotional and long process. Sometimes your daughter will just need someone to talk to about where her head is at in the recruitment process. Even if you have not gone through recruitment yourself, be willing to understand this process and be patient with your daughter. Sometimes this might feel like the end of the world (even though we know it is not!)
